Greetings to all,

Once again, thanks to everyone who helped make our food drive such a success. Having collected as much food as we did we were able to donate to both Long Island Cares and St. Patrick's Food Pantry.

This month the Dragons have decided to collect items for Save-A-Pet, a non-profit animal shelter located in Port Jefferson. Below is a list of items that are in needed to help support their work in saving abandoned and abused dogs, cats and other animals. Donations can be brought to class any time. Please also ask family, friends and neighbors to support this great cause.
